3. Equipped with quick coupler for easy disassembly
4. Connecting single-action hydraulic pump

● **CAC-75**
Hydraulic angle
steel cutting tool

Model	CAC-75
Cutting Force	23t
Rated pressure	700bar
Cutting Capacity	75x75x8mm
Weight	19kg
Packing	Steel case

● **CAC-110**
Hydraulic angle
steel cutting tool

Model	CAC-110
Cutting Force	45t
Rated pressure	700bar
Cutting Capacity	110x110x10mm
Weight	41kg
Packing	Steel case
